April 4, 2008—Marantz America, a world leader in advanced home entertainment solutions for more than 50 years, is proud to announce that four of its dealers were awarded 'Home of the Year' Awards from Electronic House (EH) Magazine for their superior workmanship in innovative home technology installation. The winners were announced on March 13<sup>th</sup> during an awards luncheon at the Electronic House Expo in Orlando. The EH Home of the Year Awards recognize the most creative designs, dynamic systems and innovative installations.

Recipients of the Third Annual Electronic Home of the Year Awards were divided into three levels - gold, silver and bronze, across 13 categories. Marantz's winning dealers include *Stone-Glidden Inc.* (Doylestown, PA) who won Gold in the "Family/Media Room" category. *ArchiTechKnowledge Design Group* (Laguna Beach, CA) won Silver in the "Wow Factor" category. *AVIX LLC* (New York, NY) won Bronze in the "Family/Media Room" category. Finally, *Tri-Phase Technologies* (Carmel, IN) won two awards; Silver in "Home Theater \$26,000 - \$50,000" and Bronze in "Home Theater \$101,000 - \$250,000."
